H A N D M A D E E M O T I O N S

Emociones, eso es lo que sentimos cuando imaginamos cada una de nuestras creaciones. Pasión, ilusión y mimo son ingredientes que ponemos para conseguir un producto honesto, trabajando de manera artesana, respetando los procesos, sin prisas, asegurando una calidad excelente, para provocar en tí las mismas emociones que sentimos nosotros al crearlas.

Emotions, that's what we feel when we imagine each of our creations. Passion, illusion and care are ingredients that we put to get an honest product, work in an artisan way, respect the processes, without haste, assuring excellent quality, to provoke in you the same emotions that we feel when creating them.

Tradition Since 1899

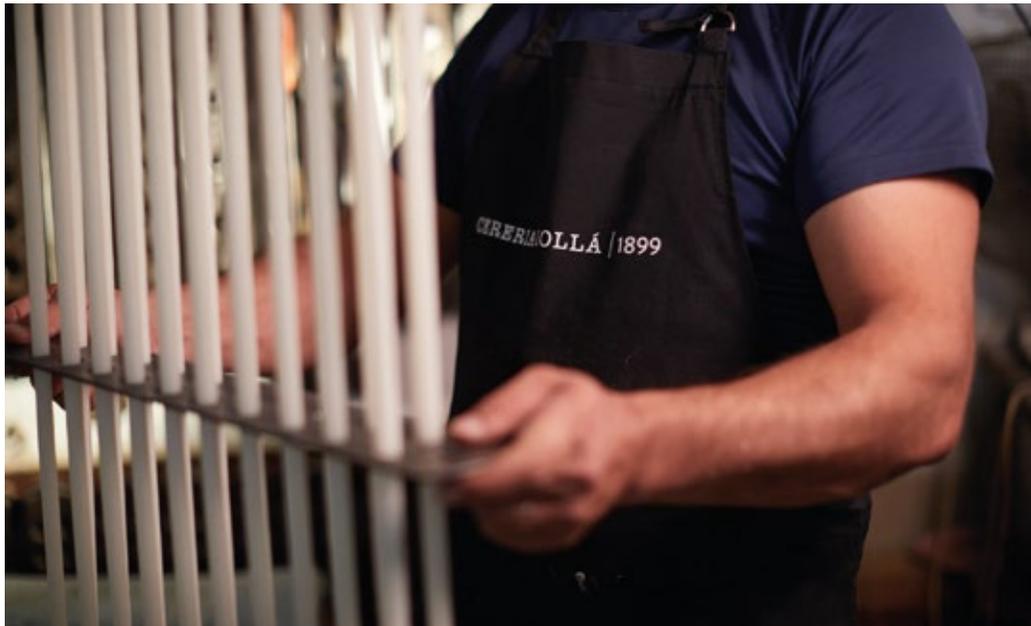

Hace más de 100 años empezó una ilusión que ha pasado de generación en generación y que sigue más viva que nunca. Somos una familia que ama su trabajo, haciendo todo con el mismo cariño y sabiduría que nos otorga una tradición centenaria.

More than 100 years ago, a vision began that has passed from generation to generation and that is more alive than ever. We are a family that loves their work, doing everything with the same love and wisdom that gives us a centennial tradition.

Centennial Process

Seguimos conservando una manera de hacer las cosas artesanal, manteniendo muchos de los procesos centenarios que aseguran una producción exquisita y una calidad insuperable. Utilizando siempre cera vegetal en todas nuestras velas.

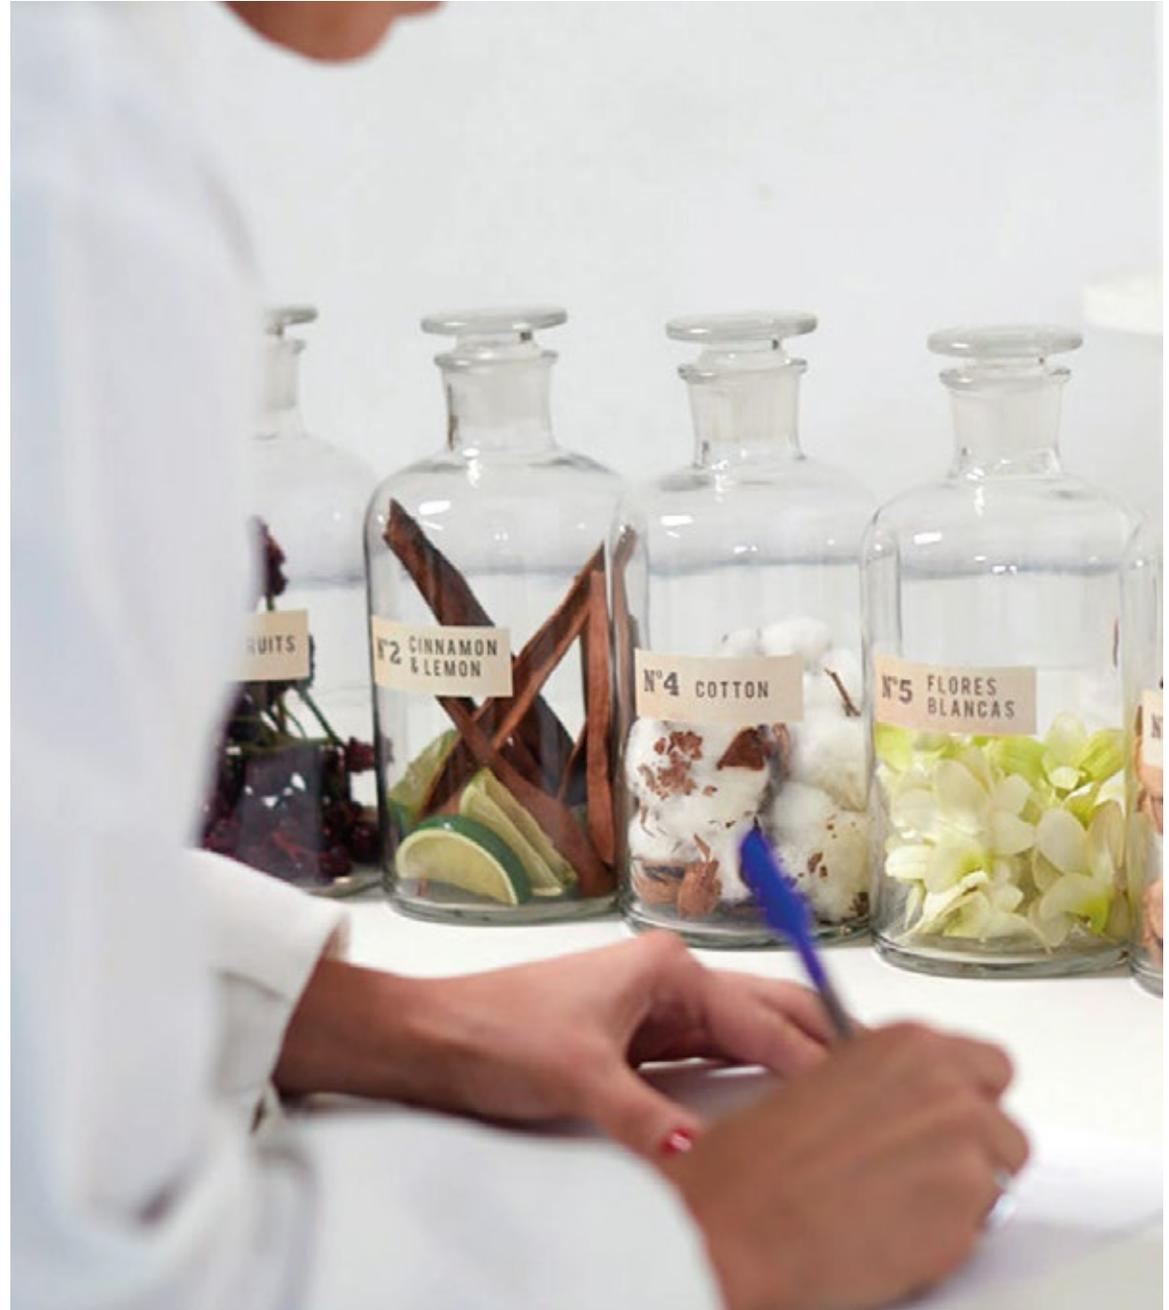

We continue preserving a way of doing things traditionally, maintaining many of the centuries-old processes that ensure exquisite production and unsurpassed quality. Always using vegetable wax in all our candles.

The Future

Si algo nos ha enseñado la experiencia es que hay que estar en constante evolución y eso es lo que ponemos en práctica cada día. Optimizando nuestros procesos de producción para ofrecer un servicio excelente a más de 80 países.

If experience has taught us anything, it is that you have to be in constant evolution and that is what we put into practice every day. Optimizing our production processes to offer an excellent service to more than 80 countries.

A photograph of three lit square rustic candles. The candles are white and have a warm, yellow glow from their flames. They are arranged in a basket made of light-colored wicker. The basket is filled with greenery, including small white flowers and eucalyptus leaves. The background is dark and out of focus, with more greenery visible. The overall mood is warm and cozy.
